

Jaron Lanier: The need to remake the internet

(Laughter)

Jaron Lanier über das Internet heute ...

A medium shot of Jaron Lanier, a man with long, wavy brown hair and a beard, wearing a dark blue long-sleeved shirt. He is speaking into a black microphone on a stand, looking slightly upwards and to his left with a thoughtful expression. His right hand is partially visible at the bottom left, gesturing with fingers spread. The background is a solid red wall with a dark, arched opening visible behind him.

And so I can't call these things
social networks anymore.
