A serene sunset scene over a body of water. In the foreground, a small wooden boat with a blue-painted hull is visible, its reflection on the calm water. The sky is a mix of soft pinks, purples, and blues, with scattered clouds. In the distance, a small structure or pier is visible on the left, and a small boat is on the right.

Drones overall will be more impactful  
than I think people recognize, in  
positive ways to help society.
