

- a) Insufficient fulfilment of data subjects rights
- b) <u>Insufficient legal basis for data processing</u>
- c) Non-compliance with general data processing principles
- d) Insufficient technical & organizational measures to ensure information security
- e) Insufficient cooperation with supervisory authority

UK: Fine against British Airways finally set

Fine against British Airways for inadequate security measures finally set at approx. EUR 22 million (reduction from initially proposed EUR 202 million).

GDPR Enforcement Tracker

The CMS.Law GDPR Enforcement Tracker is an overview of fines and penalties which data protection authorities within the EU have imposed under the EU General Data Protection Regulation (GDPR, DSGVO). Our aim is to keep this list as up-to-date as possible. Since not all fines are made public, this list can of course never be complete, which is why we appreciate any indication of further GDPR fines and penalties. Please note that we do not list any fines imposed under national / non-European laws, under non-data protection laws (e.g. competition laws / electronic communication laws) and under "old" pre-GDPR-laws.

DELIVERY AND PAYMENT

Top in soft, printed sweatshirt fabric with a wrapover hood and ribbing at the cuffs and hem. Soft brushed inside.

We understand that many people are upset about the image of the children's hoodie. We, who work at H&M, can only agree.

We're deeply sorry that the picture was taken, and we also regret the actual print. Therefore, we've not only removed the image from our channels, but also the garment from our product offering.

It's obvious that our routines haven't been followed properly. This is without any doubt. We'll thoroughly investigate why this happened to prevent this type of mistake from happening again.
